

An Evening of Gilbert and Sullivan with Simon Butteriss

As part of Celebrating Fife 2010 Simon Butteriss will perform many of the well-loved patter songs from the most popular Gilbert and Sullivan operas.

He will be joined by Dunfermline Gilbert & Sullivan Society and other Fife singers.

This will be the first show of its kind at the newly re-opened Alhambra here in Dunfermline. The evening will commence with a performance of *Trial by Jury*, followed by Simon's own unique show on Friday 11th of June at 7.30.

There will be a full orchestra to accompany both *Trial by Jury* and Simon's highly entertaining G&S extracts.

The show will celebrate 40 years of Dunfermline G&S, the Fife 2010 Year of Culture and is timed to coincide with Sky Arts new series on Gilbert and Sullivan which features Simon Butteriss.
